## TIME TRAX BAND

*DUOS & TRIOS*

### BIOGRAPHY:

Jillian is an accomplished singer, song writer, and poet. At age 4 Jillian realized there was nothing like being on stage after singing in her first Christmas show at her church. She went on to perform in multiple theater productions such as Agatha Christies “And Then There Was One”, “The Music Man”, “Highlights from Les Miserables” and “What Was I Supposed To Be”. In addition, she also performed in several Christmas productions with the Cleveland Orchestra.

Mike Morris is the founder and leader of the Time Trax Band. Born into a family of professional musicians, there were always instruments in the house to play and plenty of band practices going on to influence Mike as a child. “Not knowing any different I just picked it up because that’s just what everyone else in the house was doing” said Mike. As a little kid, Mike would play whenever possible, sitting in with his parent’s bands, doing school talent shows, playing school dances, and performing at kid's birthday parties.
